The Top 8 Art Exhibitions to see in London this week

Art critic Tabish Khan brings you 'The Top Art Exhibitions to see in London' this week 22/07/18. Each one comes with a concise review to help you decide whether it's for you. Hurry, as all close soon and there are so many it's been expanded to a top 8. Plus three of *last week's top 7* are still open:

Veronica Brovall – [Wear the Heat @ Sophia contemporary](#)

Feminine ceramic and steel figurines explore what it means to be a woman today. These works look aggressive with tongues and daggers, but at the same time are fragile and feel they could crack easily. **Until 28 July.**
